

Southern African Institute of Government Auditors

2011/12

FEES PAYABLE IN RESPECT OF MEMBERSHIP AND OTHER PRODUCTS AND SERVICES

The financial year of the Southern African Institute of Government Auditors (SAIGA) extends from 1 April 2011 to 31 March 2012

In the case of members joining during the year, no provision is made for proportional membership fees – the full annual amount is payable.

Fees are payable before the start of the financial year, or in the case of other services, before the service is delivered or with application for that service.

Where fees have not been paid in time, the Institute reserves the right to charge interest (at prime plus 5 percent) or to withhold the product/outcome of the service, or both.
