

Speaker Profile

SAIGA
Developing Ethical Public Sector Professionals

Prof. Cameron Modisane is an Associate Professor in the College of Accounting Sciences at the University of South Africa (UNISA). He is also a Board of Director for the Information Systems Audit and Control Association (ISACA SA). He is currently the Chairperson of the Finance, Risk and Audit Committee of Oxfam South Africa's Board. Prof. Modisane has extensive senior management experience in accounting, auditing, finance, project management and strategy. He holds various qualifications, including a Ph.D. degree in Accounting Sciences from the North-West University, a Master's in Commerce from the University of Johannesburg and Bachelor of Commerce Honours from the University of Pretoria. He is a Certified Information Systems Auditor (CISA) and Information Systems Audit Professional (ISAP (SA)). He is a member of South African Institute of Business Accountants (SAIBA) and member of Institute of Directors Southern Africa (IoDSA). He is an Association of Certified Chartered Accountants (ACCA) - UK Finalist. He is currently South Africa's youngest Professor of Accounting Sciences with a Ph.D. in Accounting.

He has over 14 years' experience in both the private and public sector accounting. He has previously worked for the Auditor-General of South Africa, PricewaterhouseCoopers and Nkonki Chartered Accountants. In his profession as an auditor, he has audited some of the largest banks in South Africa like Absa, Absa Capital, Rand Merchant Bank, FNB, Nedbank and insurance companies like Discovery, Bonitus, Medscheme, Momentum, and Outsurance.

This also includes auditing large clients in public sector like the Office of the Presidency, Transnet, COGTA, Human Settlements, CIPC etc and also local municipalities in South Africa.

Prof Modisane has been actively involved in the accounting and auditing profession. He supervises Masters' and PhD students focusing on the Public Sector Accounting, IT and internal auditing, risk, and governance. He is a regular TV and radio guest speaker on media platforms like eNCA, SABC, SAFM, Radio 2000, YFM and TruFM. He is also speaker on local and international accounting conferences. His areas of research are around the impact of information technology to the accounting and auditing profession and 4IR technologies to improve on the auditing process .
