

Speaker Profile

Mbali Buthelezi is a seasoned finance professional who is currently a Chief Audit Executive at City Power. She is also the Deputy Chairperson for the Public Sector Accounting and Auditing Academy. She is a Registered Government Auditor and a Certified Internal Auditor, who holds a BCom Accounting Honours degree from the University of KwaZulu Natal.

Her career in auditing and accounting spans over 19 years, predominantly spent at the Auditor General where she held various positions and ultimately progressed to Senior Management. She also had an opportunity to work in international audits which awarded her the privilege to work with other international finance professionals for best practice sharing. She has held the role of a CFO where she was instrumental in a turnaround strategy which saw the entity achieving a clean audit.

Mbali is passionate about cultivating a culture of excellence, accountability and ethical leadership in the public sector. One of her other passions is development of competent and confident young professionals for a sustainable public sector.
