

Speaker Profile

SAIGA

Developing Ethical Public Sector Professionals

Edmond Shoko is a pre-eminent thinker, who influences key decision-makers in business strategy, risk, auditing, and corporate governance in the Public Sector. He is a Chartered Accountant UK (ACA) (FCCA) by profession. Holds an MBA specializing in business strategy and an LLM in International Commercial law.

As an UNCTAD Fellow, he is recognized for his fresh and innovative ideas as the author of several academic research papers on business strategy and International commercial law in the Extractive Industries. Most of his research work is used as reference material to inform several organisational policies in both public and private sectors of business.

He currently based in Pretoria South Africa where he leads the Supreme Audit Institution capacity building initiatives on emerging issues in public sector audit at AFROSAI-E.
