

# Speaker Profile

**SAIGA**  
Developing Ethical Public Sector Professionals

**Tanya Dos Santos**, is a dedicated mother, passionate sustainability practitioner and ardent conservationist. Tanya has been with the Investec group since 2001 and is currently the Global Head of Sustainability for Investec Group and Head of Investec Rhino Lifeline. Tanya has a Masters in Economics Cum Laude and alumni status from Harvard Business school after completing several leadership qualifications at Harvard through the Investec leadership journey. She has also completed the Competent Boards ESG Certificate Programme.

Tanya sits on the board of the Swiss Wildlife of Africa Foundation (SWAF) which helps to raise awareness and funds for endangered wildlife. She also sits on the board of a small private business called Inyati Game Lodge in the Sabi Sands Nature Reserve, which is active in promoting conservation activities and empowering communities. In addition to rural education and contributing to the wildlife economy, Tanya is also passionate about human rights and sits on the board of the UN Global Compact local network in South Africa and represents Investec on the UN Global Investors for Sustainable Development working groups.
